

Only School Board Race To Be In GC District

Wm. Schreiber Replaces
Graville As Candidate
For Madison Board Post

Only in Granite City is a contest anticipated in the April 9 school elections throughout the area. Three candidates are seeking the two office in Granite City, while two candidates will be unopposed in the Madison and Venice school elections in which two posts are to be filled.

The election filing period closed at noon Saturday in all three districts without any flurry of activity. The only filings reported since Thursday morning, occurred in Madison where William G. Schreiber, 1912 Harris street, and Dr. Steve Geroff, incumbent, filed on Friday.

Schreiber, a native Madisonian, is running in place of Vasil Graville, who decided not to seek re-election after two terms on the board. "The press of other business caused me to reach the decision," Graville told the Press-Record.

The new candidate is a patternmaker and is employed at McDonnell Aircraft Corp. where he has worked since 1956. He and his wife, Virginia, have one child, a son, Michael, who is first grader at Harris school.

The other Madison candidate, Dr. Geroff, is a dentist, and resides at 1601 Sixth street.

No last minute changes were reported in Granite City, where the two incumbents, Homer A. Huber and Robert E. Leathers, are seeking re-election to the two offices to become vacant in April. The third candidate, Leslie Monroe Worthen, 2845 Fortune drive, whose petition was filed last Tuesday.

Huber, who is president of the Granite City board, resides at 4121 Mayville road while Edmonds, who is board secretary, lives at 2719 Benton street.

Venice school board candidates are the two incumbents, Harold Seibert, 1010 Third street, who is the board secretary, and Michael E. Leathersman Jr., 1031 Third street.

All school board members are to be elected for three-year terms.

Nameoki Ditch To Be Cleaned

Continuation of dredging the Nameoki storm water drainage ditch will be undertaken this year by the East Side Levee and Sanitary District, with the project to be started north of St. Clair avenue as soon as weather permits machinery to be placed in operation.

The ditch was dredged south of St. Clair avenue last year, and General Contracting Co. will do the work of clearing the ditch to the north, extending to Terrace lane.

A two-foot sediment is to be removed from the bottom of the ditch to form a "pilot ditch." The work was to have started several weeks ago but was delayed by snows and inclement weather.

\$500 Cash, Radios, Tools Stolen At Lakeside Airport

Saferackers hauled away considerable loot last night from Lakeside Airport, Route 111, along with nearly \$500 cash, according to a report this morning to the county sheriff's office.

The missing items, valued at several hundred dollars, included several aviation radios, three typewriters, two cash registers (one containing about \$30), and an assortment of aircraft tools.

The theft was discovered about 7:20 a.m. today by a Checker Taxicab driver, Richard Wroten, who said he had been called to the airport to pick up a fare. He found the office door had been opened and notified authorities.

A sleighhammer, which had been taken from a workshop that also had been forced open, was used to smash the three-toothed lock in the airport office. The handle and combination were knocked open, and the safe was missing when the tavern was closed as having a rough fish and salt-and-pepper code. The tools were taken from a box in a workshop, and though the shop and box had to be forced open.

\$117 Theft In Madison
Madison police are investigating theft of \$117 and a man's size 48 topcoat from Chuck's 12th Street tavern, 1201 Madison avenue, between 4 a.m. and 2:20 a.m. Saturday. No evidence of forced entry has been found. The money was discovered to be missing when the tavern was opened for the morning. It was learned that a patron's topcoat, described as having a rough fish and salt-and-pepper code, had been left in the tavern when it closed and that it also is missing.

A stand containing four peanut, gum and candy dispensers found by a Madison state department crew in the alley at the rear of 1425 Broadway street on Thursday, had been stolen from an automatic laundry at 108 Madison avenue, an investigation showed.

Some of the dispensers were broken, with the contents missing. The machine was turned over to Morris Kraus, proprietor of the laundry, by Madison police.

A box of pastries was stolen from the auto of Robert Greder, 2709 Myrtle avenue, between 10:30 p.m. Saturday and Sunday, when the car was parked on the lot at Bowland near Mitchell. Oreder told Granite City police a door glass was forced open to gain entrance to the car. The auto also was ransacked.

SPRING SUNSHINE on Friday, followed by a half-inch snowfall during the night, preceded the start of the new season with a bright sun yesterday. Friday's sun also brought out construction workers and a sudden increase of home building was reported in Granite City.

20 Brick Homes To Be Erected In City

Commercial Buildings Along State Street To Be Improved

New construction, which has been logging this year, took a sudden swing upward last week when permits totaling \$339,874 in value were issued by City Building Inspector Earl Blomquist and City Clerk A. L. Stevens.

Among the 27 permits issued last week, 20 are for new homes to be erected in Cloverview Addition 7 by Ray Campbell, contractor. Six permits are for commercial construction, including remodeling projects or four buildings in the 1900 and 2000 blocks of State street. Another old building in the 1900 block of State street is to be razed.

Of the \$339,874 construction value for last week, \$331,500 is for the 20 new dwellings. The total new building value for the month now stands at \$408,874 and the total for the year to date is \$232,125. The value of new construction during the first two months of 1959 amounted to \$300,331.

Campbell plans to erect a \$17,000 brick veneer home with six rooms and bath on Waterman avenue in Cloverview Addition and 19 houses, valued at \$15,500 each on Lynch avenue. They also will be brick veneer and will contain five rooms and bath.

The State street commercial improvements include a \$500 remodeling project for storefronts at 1522-24 State street owned by James Githco; a \$12,314 project for remodeling the front of the former Brady Hotel building, 20th and State streets; and a \$500 remodeling project for restaurant at 2003 State street by Konstantin Christich.

Local attorney and city judge P. F. Scherer, who obtained a \$2000 permit to remodel his law offices at 1308A Nidringhaus avenue, and two other commercial permits were issued for advertising signs—a \$4500 sign to be erected by E. F. Goodrich, and wiring and plumbing.

44 DAYS WITHOUT A QUAD-CITY TRAFFIC DEATH

Fred Hyle, 86, of White Hall, father of Granite City lawyer Dale Hyle, died at 3:30 p.m. Sunday at Our Savior's Hospital in Jacksonville. His death was attributed to infirmities and complications of a broken hip suffered in a fall at home early this month.

A native of Germany, he lived in White Hall 70 years and was retired five years from a sewer-pipe and stone company there.

Also surviving is a son, Kenyon Hyle of Tampa, Fla.; a daughter, Mrs. Grace Schorr of Kankakee; two sisters, Mrs. Emma Feussner and Mrs. Elizabeth Lebraund of Galesburg, Germany; and a grandchild.

Services will be held at 1 p.m. Wednesday at a White Hall funeral home with interment at Sunset Hill Cemetery in Edwardsville.

Breakdown Causes Late Press-Time

A breakdown in a plate-casting unit resulted in a late press-time for today's issue of the Press-Record.

The breakdown occurred this morning and it was necessary to take page "mats" out-of-town for casting of metal plates. The plates then were hauled here for use on the newspaper press.

Bridge, Levee District To Share Cost of Broadway Work

Proposed use of motor fuel tax funds for improvement of Broadway was rescinded Friday night by the Venice city council, which will meet all of the cost with funds from the McKinley Bridge and East Side Levee and Sanitary district.

Of the \$123,318 total contract, \$9,374 is to be paid from the \$1,000,000 bridge improvement funds allocated at the time revenue bonds were issued for the city's purchase of the bridge. Surface conditions on Broadway would be paid by the levee district, and the amount of bridge traffic.

Weekend Fires Destroy Home, Store In Venice

Nearly 2 1/2 Days In GC Without Accident

Granite City, which normally averages two-to-three traffic accidents a day was about 30 minutes short of going 2 1/2 days without a mishap last week.

A two-car crash was reported at 12:15 p.m. last Wednesday, and there were no traffic accidents recorded until 11:42 p.m. Friday, when three persons were hurt at Lincoln avenue and Henry street.

Police note it is unusual for two or more days to go by without an accident, especially with ice and snow on many roadways.

7 Persons Hurt In Three Traffic Accidents In Area

Seven persons suffered injuries in three of 16 traffic accidents reported over the weekend in the Quad-City area.

A woman suffered a fractured leg and two other persons were hurt in a two-car collision Friday night at Lincoln avenue and Henry street.

Admitted to St. Elizabeth Hospital, where she was taken by ambulance, was Mrs. Nora Huffstutler, 32, of 2925 Valley avenue, who sustained a fracture to her right leg, a deep cut to her left neck and sprain to her right arm and leg.

Also injured were her husband, Glen Huffstutler, 32; and a passenger, 21-year-old David Burris, 25, of 2640 Hodges avenue. Burris suffered a small cut to his left hand.

Burris was riding in a car driven by Larry A. Hoelter, 23, of 1211 Wayne avenue, who was charged by police with failure to yield right-of-way and destruction of city property—a stop sign. The officers said that after the impact, Hoelter's car veered to the left and struck the stop sign, knocking down the stop sign and damaging 15 to 20 feet of the base of the Eugene Fence, 2600 Lincoln avenue. Shrubbery in the yard also was damaged.

According to the report, Hoelter was driving south on Henry street, while Huffstutler was traveling east on Lincoln avenue.

Accidents On Bridge
Three persons were injured in a crash on the McKinley Bridge at 3:10 a.m. Friday. All were taken by ambulance to St. Elizabeth Hospital, and their car was towed to a garage.

The motorist, Robert Richard Spitzberg, 23, St. Louis, sustained a large laceration to the forehead and a swollen and bleeding nose. Passengers were Marlene Baehe Jr., 24, St. Louis, injured to right lower leg and shoulder; and Miss Patricia Albrecht, 21, St. Louis, injured to right ankle. All were released.

The entire front end of the auto was damaged in colliding with a traffic lane divider at the eastern end of the bridge.

Billy Dean Stuart, 24, of St. Louis injured his left knee and elbow when his westbound car was involved in the crash.

Girl Scout Council Names Chairmen For Fund Drive

Two area chairmen were named Sunday night to head departments in the Tri-City Girl Scout Council office at 1415 Nidringhaus avenue or to Schenckler to head the industrial division and Harold Fisher to head the institutional division. No chairman for the labor and retailers divisions have as yet been assigned.

Schenckler said that although a major contribution area will be covered by workers in the four divisions for the labor and retailers divisions have as yet been assigned.

Business meetings will be conducted in the Granite City high school auditorium, with a buffet and dance to follow at the Rose Bowl restaurant.

Losses Total \$9500; Family Of 8 Homeless; Early Morning Blazes

Two early morning fires on Saturday and Sunday left a family of eight homeless and burned out a grocery store in Venice, causing damage estimated at a total of \$9500 by Venice Fire Chief Michael Leathersman Jr.

The first blaze at 1:35 a.m. Saturday burned out the home of Mr. and Mrs. Hyman Gray at 619 Salveer street, while the second alarm at 4:30 a.m. Sunday summoned volunteer firemen to the frame one-story frame store building of Harry Steinger at 127 Weaver street.

Damage was set at \$2000 to the home and furnishings of the Gray family. Gray, who said he was recently laid off from work at a Granite City concrete firm, told firemen he had no insurance.

Cause of the blaze was not listed, but there is a possibility it might have been caused by an overheated stove, a relative said.

The blaze at Steinger's, one-story frame market building started in the basement and flames spread to the first floor, burning through a wall at a point where 10 cases of matches were stored.

Padlock Broken
Chief Leathersman said a padlock on the basement door in the basement had been broken and there is a possibility the fire was started by an intruder. The chief said he was told by Steinger that the door was locked before he left the store Friday. "I don't believe it is a arson, but more likely the fire was started accidentally," Chief Leathersman added.

The 16 volunteer firemen who answered the alarm were hampered by dense smoke and freezing temperature, and it was not until the roof collapsed at the rear section of the store room adjoining the store that they were able to enter the store room.

Despite the intense smoke and flames, the firefighters were able to prevent the fire from spreading to a two-story frame apartment building, only two feet away from the burning store. Damage to the dwelling amounted to only \$25, consisting of four broken panes of glass in a second story window and a scorched window frame.

Paint Cans Explode
A number of small explosions were heard in the store room as intense heat popped off paint can lids. Luckily, the fire was prevented from spreading to a small room behind the store room where two 55-gallon drums of kerosene and linseed oil were stored.

Madison volunteer firemen were summoned at 5 a.m. to assist Venice firefighters, and with five lines playing water on the double-front building, the flames were soon brought under control. Venice firemen were called back about 10:45 a.m. to soak smoldering debris.

Fire Chief Leathersman said the store was heated with two furnaces, one in the basement and one in the store, but the fire was not caused by the heat. He was unable to list a cause for the destructive blaze which burned out both the market and the store room. He said, in the vicinity of a storage shelf in the basement near the rear entry.

The loss was set at \$3500 to the contents and \$4000 to the building.

Fire Destroys Residence Today

Firemen were still at the scene of a fire at the Merchants Bridge highline and County road in Venice late this morning. The home of Henderson Newsom was involved and was described as a "total loss."

Venice firemen received the alarm at 8:45 a.m. today, and the Engineer Dept sent a fire truck and tank truck to aid the department in fighting the blaze.

Teltschik Brothers Here

Piano-Duo To Appear At Next Community Concert

An old world background added to a Texas origin will blend when Alfred and Herbert Teltschik, duo-pianists, present the final program in the current Tri-City Community Concert Association season series at 3 p. m. Sunday in Granite City high school auditorium.

The association has presented three other concerts in the 1959-60 series, Columbus Boys' Choir, Marina Svetlov, dance ensemble and Archer and Gile ballad singers, and is presently conducting a campaign this week to sell tickets for next year's series.

Highlighting next year's fare will be Brian Sullivan, opera singer and Myra Kinch, dancer. The other attractions will be announced after the ticket drive is concluded Saturday. The association will honor next year's ticket holders at the Teltschik concert, as a bonus to encourage membership.

Early Training In Texas
The Teltschik brothers had their earliest musical training under their father, a former Austrian musician, in Floresville, Tex., where they were born. After studying music in the Juilliard School of Music, the brothers taught music in Houston's public schools until the outbreak of world war II.

It was when they were assigned to music work during the war that Alfred and Herbert first started presenting duo-piano recitals. After the war they returned to Houston and

ALBERT AND HERBERT TELTSCHIK, duo-pianists, will present the last Tri-City Community concert of the season next Sunday at 3 p. m. in Granite City high school auditorium.

The pair takes their own piano with them, in a small converted school bus, and also do their own tuning. Both actors became a necessity when early in their tour they discovered that not all towns have two excellent pianos in the same location or have competent piano tuners.

The pair express in their playing the warm and unlimited wealth expression of Texas and the great musical traditions of the Austria of Mozart and Strauss.

St. Louis Phone

Books Thursday

Delivery of St. Louis alphabetical telephone directories dated April 1, 1960, will begin here Thursday. It was announced today by Paul F. Roth, local manager. About 21,000 are to be delivered in the Quad-Cities, a gain of 1000 over the number of April 1959 books.

In addition to the 1959 St. Louis directories, the distribution staff also will pick up 1958 Quad-City phone books, Roth said. These are the last local directories which excluded East St. Louis and Collinsville listings. The 1958 books are of no value, because they contain many obsolete and changed numbers.

Building Trades, Contractors Honored During Reception

Officers of building unions and contractor association were guests of Granite City Steel Co. and First Granite City National Bank during a reception held Thursday evening in the new skyscraper office at 20th and State streets.

The guests were union and association officers who in 1958 signed a 10-point agreement to eliminate featherbedding and jurisdictional strikes and to share other unnecessary labor costs. The agreement resulted in national attention for the area in the Arthur D. Little, Inc., research firm report in which it was stated, "costs of construction labor in the Granite City area, relatively speaking, have dropped by as much as 20% during the past two years."

Among those attending were officers and directors of the Southern Illinois Builders Association, Southern Illinois Flastering Contractors Association and business representatives of other representatives of Builders Local 363, Bricklayers Local 65, Carpenters District Council of Madison County, Carpenters Local 633, Cement Masons Local 90, Electrical Workers Local 309, Ironworkers Local 392, Laborers Local 397, Southwestern Illinois District Council of Building and Construction Laborers, Plumbers Local 360 and Teamsters Local 525. Also represented were Frain-Colton Contracting Co., St. Louis, and S. M. Wilson & Co., Granite City.

Nicholas P. Veeder, chairman of the board and president of Granite City Steel, and Harold R. Fischer, president of the bank, also located in the new building, wrote in the invitations to the reception, they wanted to express their "thanks for a job well done."

Veeder told the groups, "We believe all the parties concerned deserve a great deal of credit for our experience has been that the agreement has definitely helped hold down the cost of construction in the area."

He added that the new officers were "one of the tangible results of what genuine cooperation between management and labor can accomplish for the construction industry."

During the reception, Robert D. Mudd, vice-president of Frain-Colton, also representing Wilson & Co., presented the steel mill with a silver shovel in recognition of Granite City Steel's role in labor-management relations.

An earlier reception was held by the steel company and bank for the 800 craftsmen who had worked on construction of the new building.

William Henry, 68, Dies At Home Sunday

William Harrison Henry, 68, of 107 Grenzer Homes, died of a heart condition at 1:45 p.m. Sunday while watching a basketball game on television at home. He had been ill ten years.

A native of Taylorville, Ill., Mr. Henry lived in Madison 35 years. He retired ten years ago from Granite City Steel Co. where he worked 25 years as a burner.

He is survived by his wife, Mrs. Mary Ethyl Henry; a daughter, Mrs. Vernon (Nixon) Singleton of Collinsville; and four grandchildren.

Funeral arrangements are given in today's obituary column.

McCambridge Crash

Northbound auto of Roy Wiggins, Bend road, and Winston R. Mayes, 17, of 1137 Market street, Venice, were damaged in a collision on McCambridge avenue at Sixth street at 12:05 p.m. Sunday. Wiggins was arrested for driving without a license, being released on cash bond.

HONORED FOR LONG SERVICE to Granite City Trust & Savings Bank at a "family night" celebration Thursday were, left to right, Joseph Daum, five years; Merz, five years; Roy C. Barney, 50 years; and Mrs. Robert Miller, five years. On the right is chairman of the Board H. D. Karandjef, who presented awards to the four.

Troopers Report 5 Accidents In Area

Five traffic accidents occurring Saturday and Sunday were reported in this vicinity by state troopers who said no one was hurt in the crashes.

Involved in a mishap yesterday afternoon on Route 111 near Lakeside airport were autos driven by Roy L. Julius, 25, of Madison, and Wesley A. Collins, 23, of Ferguson, Mo. The troopers said both autos were traveling south and the crash occurred as Collins was making a left turn into the airport.

The Saturday accidents included a similar mishap on Pontoon road where Harold D. Smallie, 17, of 3068 Ruth drive, was traveling east and making a left turn into a store when the rear of his auto was struck by the east-bound auto of Gilbert R. Ellis, 56, of 723 Twenty-sixth place. Earlier Saturday autos driven by Frank Lawrence, 25, of 2425 Sunbury avenue, and William J. Harris, 32, of Collinsville, collided at the intersection of Route 102 and Horseshoe Lake road. Lawrence was charged with a right-of-way violation.

A Granite Cityan, Ernest A. Goodall, 26, of 2604 Denver street, operating a station wagon, was involved in a collision with a tractor-trailer truck on U. S. Highway 40 near Fairmont City, where both vehicles were traveling east. Goodall was charged with following too closely. Troopers said the trucker, William J. Miller, 36, of Hawk Point, Mo., had slowed for an intersection.

The other mishap Saturday was at Route 111 and S and D prairie lane, involving auto driven by John Ventresca, 45, of Collinsville, and Harold Head, 41, of Alton. Ventresca had stopped on Route 111 to make a left turn and the rear of his auto was struck by Head's car.

Auto Hits Fence

An auto driven by George F. Knuckels, 29, of 2618 Jorden avenue, traveling north on Madison avenue and making a right turn onto Niedringhaus avenue Saturday evening, crashed into the wire fence at the hospital annex construction project. About a 10-foot section of the fence was torn down. Police said Friday night at Cline's, Siemund the motorist escaped injury.

HOELSCHER (left), secretary-treasurer of Granite City Steel Co. and member of the state's Division of Industrial Planning and Development, welcomes Thomas Martin (center), vice president of GMAO railroad, and Robert E. McGinn (right), industrial agent for the railroad, at the Governors Conference on Industrial Development, held in Springfield last week.

Woman Injured As She Fell On Steps At Home

Returning home from church Sunday night, Mrs. Edith Rhodes, 60, of 2216 State street, fell on steps in front of her home and suffered a deep laceration on her forehead and hurt her right wrist. She was admitted to St. Elizabeth Hospital after 16 hours were applied to the wound.

Also receiving treatment over the weekend were Mrs. Annas Zeller, 54, of 2601 Benton street; Mrs. Frances Stier, 38, of 905 Greenwood street; Madison, Mrs. Carole Faniers, 18, of 1729 Sycamore avenue, and Donald Richmond, 6, son of Mr. and Mrs. Willis Richmond, 1817 Alton avenue. All except Mrs. Faniers were injured in falls but she was at a laundromat on Rock road. She said the man had a handkerchief over his face.

Scout Expansion Need

A continuing need to expand scouting within current sponsoring groups and by adding other sponsors has been shown by school census figures and real-estate plans, District Executive Dan Brown reported at a Unihav account committee meeting Friday night at Cline's, Siemund Fredericks, chairman, presided.

Man Exposed Person

A woman reported to Granite City police about 11:25 p.m. Friday that a masked man exposed his person before her as she was at a laundromat on Rock road. She said the man had a handkerchief over his face.

Speeding Arrest

Gordon K. Rock, 25, of 2246 Cleveland blvd., and the 574th Engineer Co. was arrested Saturday afternoon at Fehling road and State street on a charge of speeding. He was released to appear for a hearing at a later date.

GC Woman Fined \$200, Sentenced To Jail

Fines totaling \$200 and a six-month jail sentence were imposed Friday on Miss Mary Sue Pinkerton, 23, of the 2200 block of Ohio avenue, who was arrested Thursday night in a downtown tavern and charged with disorderly conduct and vagrancy.

The complaints were filed by Granite City Chief of Detectives James B. Lowder, and the woman pleaded guilty during a hearing before Justice of the Peace Mrs. Elvira Thurber.

Buenger-Tidwell Nuptials

At St. John Church Saturday

The wedding of Miss Corlene Tidwell, a daughter of Mr. and Mrs. J. C. Tidwell, 402 Rethel road, Collinsville, and Gail Buenger, whose parents are Mr. and Mrs. Walter Buenger of Rural Route One, took place Saturday evening at St. John United Church of Christ on Nameoki road.

Rev. Paul Surbey heard the vows of the couple at 8 o'clock in a setting of white flowers, greenery and candlelight.

Mrs. Mary Lou Buenger of St. Louis, a cousin of the bridegroom, was soloist, and Mrs. Isabel Schmidt presided at the organ.

Mr. Tidwell gave his daughter in marriage. Her gown of white organza over taffeta was designed with a short train, a round neckline outlined with appliques of lace embroidered with sequins and three-quarter length sleeves. Applique motifs trimmed the skirt in the front and back.

A waist-length veil was attached to a tiara of sequins and the bride carried a bouquet of white roses and lilies of the valley.

The attendants, Mrs. Walter

Tetro, matron of honor, and Miss Betsey Brown of St. Louis, and Miss Nadine Tidwell, a sister of the bride, bridesmaids, and Lana Lee Tidwell, another sister of the bride, were in Meng blue taffeta with bouffant overskirts of organza. They wore taffeta roses and veiling in their hair and held crescent bouquets of roses and trailing ivy. Tallman roses for the honor attendant and junior bridesmaid, and yellow for the bridesmaids.

A little flower girl, Sandra Kay Reams, cousin of the bride, was dressed in white taffeta and silk organza and carried a miniature bouquet of white roses and lilies of the valley.

Richard Buenger was his brother's best man, and groomsmen and ushers were Dean Herrell, Walter Tetro, Don Marshall and Harry Wade. Ricky and Micky Tidwell, twin brothers of the bride, held the candles.

The wedding reception was held at the church and the newlyweds left later for a short honeymoon trip. When they returned, they will live at 2811 Edwards street in Alton where the bride is a senior student at Southern Illinois University Eastern Center. Mr. Buenger is employed in the credit department of the Biederman store in St. Louis.

Circle Seven Holds Meeting

Circle Seven of the women's organization of First United Presbyterian Church met Thursday evening in the home of Miss Anna Mae Moore, 2427 Lincoln avenue.

Mrs. Jack Malone, chairman, presided during the business hour and Mrs. Roger Wade, program chairman, gave the lesson from the Mission Book of Prayer. Mrs. Malone presented a chapter from the "Hymn Book of the Church" and Mrs. Forrest Browning had two chapters from the book "Consider The Church."

The meeting closed with the Missions benediction and refreshments were served to nine members and a guest, Mrs. William Wallis.

St. Patrick's appointments were used in the arrangements and favors.

The next meeting will be held in the home of Mrs. Malone, 1921 3rd street.

NAVY MOTHERS' CLUB AID WIVES OF VETS

Mrs. Alice Christian, commander, was in charge Thursday evening at a meeting of the Navy Mothers' Club, Unit 850, at the KP Hall.

Mrs. Kathryn Westbrooke and Mrs. Mary Korosek served as hostesses for the evening and plans were completed for a bake sale to be held Saturday at Kroger's. Welfare donations included two complete baby layettes for the wives of veterans at Cochrane Hospital.

Refreshments were served to 15 members of the Unit and two guests, Mrs. Eunice Hawks and Miss Susie Wallace.

ENTERTAINS GUEST

Mrs. Dena Kampshneider, 2238 State street, had as her guest over the weekend her granddaughter, Miss Linda Yagow of Collinsville.

Miss Barbara Lee Walker And Merlin Robinson Wed

Miss Barbara Lee Walker, daughter of Mr. and Mrs. Roy Walker, 2044 Nameoki road, became the bride of Merlin Robinson, son of Mr. and Mrs. Merlin C. Robinson, 4300 Maryville road, Saturday evening at St. Peter Evangelical & Reformed Church, 21st street and Cleveland Blvd.

Bouquets of white gladioli and pom poms, against a background of palms and ferns, decorated the altar lighted with burning candles in candelabra, and candles in tall standards illuminated the center aisle down which the wedding procession passed.

Rev. Robert Baumann officiated at the 8 o'clock service, and the bride's parents entertained with a reception afterward at the church.

The soloist, J. A. Amelung, sang the Lord's Prayer and the 23rd Psalm, accompanied at the organ by Mrs. Gordon McAllister, who played the wedding marches.

Given in marriage by her father, the bride wore a gown of white silk organza and lace. The bodice of lace, studded with sequins and pearls, featured a round neck and short sleeves.

The skirt, ending in a train, was trimmed with lace appliques. A crown of pearls held in place a fingertip veil of tulle and the bridal bouquet, a crescent, was composed of white feathered carnations centered with an orchid.

Mrs. Robert Beedle, a recent bride, served her cousin as matron of honor, and bridesmaids were Miss Carol Williams and

FOR JUDGE OF CITY COURT

HORACE L. CALVO

Address 1406 Widdingshows Ave. Granite City, Illinois

ATTENTION: TAXPAYERS OF GRANITE CITY

Subject: Judge of the City Court, Election, April 30, 1960.

WEEKLY NEWS LETTER

I want to thank the many interested people who have called us and offered to help Marilyn and me in the campaign to bring full-time justice to our City Court. We know that we will need all the volunteer assistance we can get to overcome the powerful political machine that will be working against us. Even at this early date, the Levee Board and its vast payroll is being mobilized in an attempt to insure the re-election of my opponent who is now their main representative in Madison County.

In the past weeks many people have questioned me concerning my reasons for running for this office and I wish to make my stand clear on this subject:

1. Granite City needs and deserves a full time City Court to keep up with its growth and the tremendous increase of business in the City Court.

2. The present judge of the City Court is also attorney for the Levee Board. These positions are incompatible. He cannot hold both offices.

On this last point I have before me four opinions from the Attorney General of the State of Illinois that uphold my position. We do not want a man on the bench who is dispensing justice with one hand and political patronage with the other!

Mr. Schuman knows he cannot legally hold both jobs. He promised before his election, two and one-half years ago, to resign his Levee Board appointment if elected City Judge. When will he keep that promise?

My opponent has stated that he is content to run on his past record. We assume that this includes his record as Levee Board Attorney (although he omitted this from his ad of March 17th), his record as State's Attorney when Club Preview was in full operation along with other organized gambling throughout the County and his record as City Attorney for Granite City, when the "gold-plated" Nameoki sewer was constructed.

Next week I will give you the facts and figures to back up my contention that we need a full time court.

Miss Little, Haggard Win JA Sales Contest

Nancy Little and Ronald Haggard were required to sell at least 100 units of their company's product, which in turn had to be an approved JA product. Entry in the contest also came upon recommendation of the company advisors.

The contest consisted of a four-minute sales talk delivered to a prospective customer. Judges were Edward Applegate of Illinois Power Co. and Maynard Davidson of Union Star & Refining Co., while the "customer" was portrayed by Marge Dwyer. All three are JA advisors.

Others competing in the local JA contest were William Price, Paul Brown, Bernadette Acquaviva, George E. Hagen, Alice Hedge, Robert Wesley and Mary Francis Cape.

Miss Little and Haggard competed in the Greater St. Louis JA top salesman contest Saturday at the Chase Hotel in St. Louis, together with Junior Achievers from 17 other area centers.

St. Louis area winners, who advance to the area finals in search of a trip to the regional finals later this month in Minneapolis, Minn., were Jim Fetzer of the St. Ann JA center, Don Heinicke and Patricia Ray of the Florissant center and Mike Fink of the East St. Louis center.

ARE ALL VITAMINS THE SAME?

The food and drug laws require each manufacturer to state the ingredients and potency on the label. This does not guarantee the contents are correctly stated.

WE DO NOT HAVE ENOUGH GOVERNMENT INSPECTORS.

Many inferior vitamins are sold for years before they are detected. More than one-third of all condemned health remedies, seized by the government where defective vitamins and food supplements.

THE VITAMINS WE SUPPLY MUST —

1. Be made by reliable pharmaceutical firms whose integrity is unquestioned.
2. They are standardized and assayed for purity and accuracy. Each bottle is code-dated. Then, after packaging, they can be re-tested and recalled if potency lessens.

HOW ARE CHEAP VITAMINS MADE?

When low price is the chief objective, many important tests are eliminated. Expensive controls during manufacture cannot be used. The amount of vitamins finally absorbed is questionable.

YOU CAN DEPEND ON VITAMINS WE SUPPLY.

They are fairly priced and absolutely dependable. Do not gamble with your health. Let our knowledge and reputation protect you.

Optimists Profit From Xmas Tree Sales \$1019

Net profits of \$1019 each were realized by the Daybreak, Noonday and Twilight Optimist clubs from the annual sale of Christmas trees conducted in December, a report issued at the Daybreak Optimist Club meeting Saturday morning at the YMCA showed.

Sales of the trees totaled \$5096. Total disbursements \$6011. Profits realized during the annual sale become part of the club's boys' work fund.

International Optimism's Founder's Day will be observed jointly by the three local clubs at a banquet at the Rose Bowl Restaurant on March 31.

Club projects discussed at Saturday's meeting were the annual bicycle week, an Easter egg hunt and the Optimist Oratorical contest for boys 15 years of age and under.

Speaker for the meeting was George Eubanks of the Granite City Engineer Dept. Eubanks spoke on "The Place of the Army in the Missile Age," and stressed that the development of modern methods of warfare have not rendered the foot soldier obsolete.

A guest accompanying Eubanks to the meeting was Pfc. Byron Scott of the Engineer Depot, recently selected as "Soldier of the Month" at the installation.

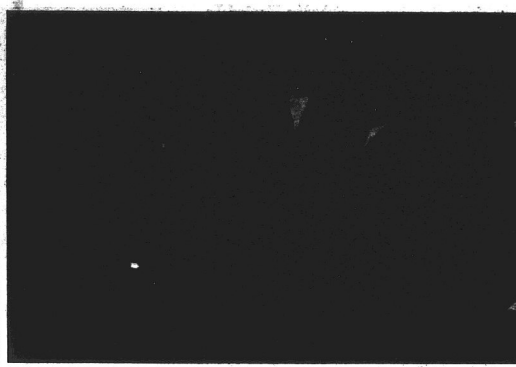

The flag was presented by Francis Lahey, and was used as the colors were posted and retired by a combination guard composed of Auxiliary and Legion members.

Ten new members were initiated by the ritual team. Guests at the celebration included A. Burt Harris, 22nd District senior vice commander; Charles Brainer, Madison-Bond county commander; Ed Horton, Madison-Bond county adjutant; and Mel Stiger, commander of Tri-City Legion Post 113.

Members of Post 113 conducted a Post Everlasting Ceremony during the meeting. The records of 20 deceased members were sent to the Post Everlasting.

Following the business meeting, members and guests enjoyed dining and dancing. Food and refreshments were prepared and served by the Legion Auxiliary.

Three Cities Receive Record \$251,315 Sales Taxes In '59

A new record for city sales tax receipts was set in the Quad-Cities in 1959, a Press-Record tabulation showed today. The local city treasuries netted a total of \$251,315 for the year. The \$251,315 figure compares with the previous mark of \$224,207 set in 1957. The 1958 total was \$221,205.

Cities here began deriving a half-cent on each dollar of sales on Feb. 1, 1956. The 11-month total for 1956 was \$191,301, indicating that the 12-month level then would have been about \$205,000 to \$210,000.

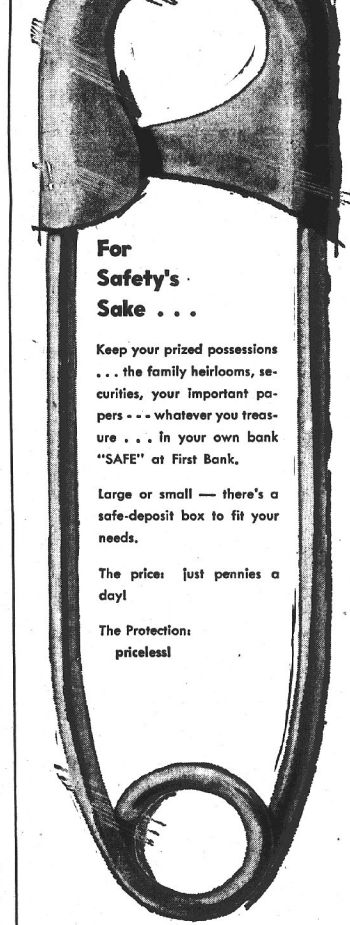

Record For All Cities
Not only was the past year a record one for the community on an aggregate basis, but new records also were set in all local cities.

The \$199,098 total for the Granite City treasury compares with \$170,088 in 1958, \$174,204 in 1957 and \$150,146 in February-December 1956.

Two From Hospital Attend Workshop

Sister Theresa and Miss Milford Jones of the anesthesia department at St. Elizabeth Hospital were among more than 100 nurses anesthetists who participated in a clinical workshop on Anesthetics held at St. Mary's Hospital, St. Louis, on Sunday.

The seminar, sponsored by the Missouri Association of Nurse-Anesthetists, consisted of a series of lectures, movies and demonstrations dealing with anesthetic agents and advanced techniques in their application. Chapter, The Legion of Honor Problems encountered in administering anesthesia in the operating theatre were discussed, including the effects of various drugs on patients in a week-end or poor physical condition.

Members heard reports on the development of a new drug, "Halothane," developed in England and being used increasingly in hospitals in this country, including Ray Henley, Gilbert Watson, the local hospital. The anesthetic drug, a non-explosive agent, which is vaporized and combined with oxygen, causes the patient to go into a state of unconsciousness without the danger of explosion in the operating theatre and enables the nurse to utilize x-ray equipment or cautery treatment previously impossible with ether or many other anesthetics.

Other topics covered in the workshop included safety practices in the operating theatre, fluid therapy, the maintenance of body fluids during surgery and the latest aids in muscle relaxants.

Traffic Charge

A charge of failing to observe a flashing red traffic signal was placed against J. N. Shea, 44, of Clayton, Mo., who was arrested early Sunday morning at Niedringhaus and Madison avenues. He posted \$11 cash bail.

Scouting Film Seen By Noonday Optimists

A color film on Boy Scouting and how two boys were introduced to the program and became active in it was presented by Unihah District Boy Scout official Don Brown at a meeting of the Noonday Optimist Club Thursday at the Elks Club.

The film showed the two youngsters, neither of whom were Boy Scouts, stumbling upon a Boy Scout camp after one of the two had injured himself while the pair were roaming the woods.

Given first aid by the Scouts, the boys enrolled in the program, and many facets of the activities offered were covered as the film covered the boys' progress in Boy Scouting. The program was arranged by program chairman B. C. "Tip" O'Neill.

Plans for the local elimination contest in the Optimist Oratorical Contest were announced. Candidates from schools will appear before the Noonday, Daybreak and Twilight clubs during a night meeting on March 31, and a local winner will be sent to the Zone F, District eight competition. The winner there advances to the regional contest.

Tentatively approved for local contest prizes are a \$25 savings bond for the first place winner, \$10 and \$5 cash awards for second and third place. Members of the Noonday club met in a meeting on March 31, and a local winner will be sent to the Zone F, District eight competition. The winner there advances to the regional contest.

Two Motorists Arrested

Two motorists were arrested at 12th street and Edwardsville road shortly before 2 a.m. Sunday by Granite City police. William T. Hall, 21, of 200 McCann bridge avenue, Madison, was charged with speeding and posted \$11 cash bail; and Thomas Eugene Craft, 20, of 1322 Meridian street, was charged with operating a motor vehicle without a driver's license and was freed on \$16 cash bail.

Visiting Woman Falls Down Basement Stairs

Mistaking a door to the basement for a door to the television room, Mrs. Laura Lewis, 63, of Albuquerque, N. M., fell down 14 steps leading to the basement in the home of her nephew, Paul Freeman, 3419 Lydia lane, on Thursday afternoon. She suffered bruises to her right shoulder and ankle but was not seriously hurt.

Mrs. Lewis, who had just arrived at the Freeman home earlier in the day for a short visit, was unfamiliar with the house. A member of the family said she probably entered the door way in a hurry. No one witnessed the mishap but the family heard Mrs. Lewis fall and then rushed her to St. Elizabeth Hospital where she was admitted overnight for observation.

Treated at the hospital on Friday was Ronald Woodard, 15-month-old son of Mr. and Mrs. David Woodard, 2064 Sixth street. The tot cut the inside of his mouth on a piece of glass.

Check List To Compare Competing Candidates For Public Offices

A check list originally published by the California School Boards Association Journal, relating to qualifications of school board candidates, is a sound basis on which voters can evaluate competing candidates.

The list affords a searching look into the varied qualities that can effect a public official's performance. With minor revisions, it could apply to candidates for all public offices. The list follows:

"Has the candidate an unselfish interest in the public schools, the community and in every child? Has he arrived at a position of recognized leadership in the community? Is he seeking the position for personal prestige or political gain? Is he a leader in his own occupation or community group? Is he a known quantity in the community? Is he able to think independently and objectively about a program? Will he concede cheerfully to the decision of the majority?"

"Has the candidate a record of the kind of leadership that will represent the district as a whole rather than a record identifying him with a particular group, cause or geographical area? Will he work to develop unity among the members of the board, contributing to harmonious development of the program? Will he give the necessary time to this important position? Is he capable of recognizing and distinguishing the jurisdictional power and functions of the board and administration? Does he know the political boundary and physical geography of the district?"

"Does the candidate have the courage and ability to explain and enforce a rule which might not be popular but which is proper? Does he understand that leadership often involves the turning of public opinion from an erroneous attitude to the acceptance of a feasible rule?"

"Is he aware of the cross currents of thinking pertaining to the basic concepts of public education, and will he remain loyal to his position under stress? Does he have a layman's relationship to public education? Does he have a habit of withholding judgment on critical issues until the facts are available? Is he able to carry on cheerfully when public appreciation of his efforts seems to be lacking? Does he have personal interests that would invalidate his service to the board? Does he have a sense of humor? Does he show evidence of knowledge of general and specialized values?"

"Since no one is perfect, few candidates could measure up in every way. At the same time, those who do not show up well on such questions as these are not likely to provide the leadership, integrity and judgment needed. At any rate, outlining of what constitutes an ideal public official may help enable local residents' voting decisions to be made in the proper perspective."

Gas Storage Plant Eases Shortage, Greater Capacity Being Developed

Success of the Illinois Power Company's underground gas storage program represents good news for the Quad-Cities and surrounding area. It has made possible the elimination of most of the limitations on gas for 1960.

All dual-fuel residential customers are being advised that they can discontinue using standby fuels regardless of the temperature, and the 520 families waiting for natural gas being notified that it is available. Permits also are to be issued for commercial and multi-family buildings using less than 450,000 thermal units of gas hourly.

Tests have shown that the utility firm's large gas storage field south of Freeburg can be relied on to augment the gas that is received by pipeline from the south. With other fields also in use or being developed, the summer storage plan for winter usage should do much to ease the gas shortage here.

3 Stop Sign Charges

Charges of running three stop signs on Nevada avenue were placed against a motorist, Bruce E. Foster, 19, of 2226 West 22nd street, who was arrested Friday afternoon by Granite City police. The officers said the signs were at West 22nd street, West 23rd street and at Rock road.

SIU Course Features Lively Discussions

Southern Illinois University classes open here tonight at 7 o'clock at times find themselves discussing cases only two hours away, according to Frank Mansfield, instructor.

Mansfield, assistant plant manager, Dow Metal Products Co., Madison, who teaches such classes at the University's center in East St. Louis, said that at City High School, "the classes deal with specific cases as well as with thoughtful study of the day. The students, all of whom are actively engaged in labor-management relations in industry, bring their own problems and developments to class."

This freshness in approach, he says, generates an enthusiasm which is contagious. Mansfield says this is an especially interesting term because so many things have happened recently—new legislation, court decisions, strikes and settlements.

Labor-management relations is one of the subjects covered in courses offered in SIU's industrial management program in Granite City, Alton and East St. Louis.

Approval Of County Survey Will Speed Development Of Zoning Regulations

Approval by the Madison county board of supervisors of funds for a land use study and zoning survey last week will speed the day when zoning regulations can be adopted for unincorporated areas of the county.

Planning and zoning are of prime importance to the county but the very nature would be of little value if long delayed. As the local Chamber of Commerce pointed out, the land use and zoning surveys are "an indispensable first step toward the orderly growth and development of the county, if the unincorporated areas are not zoned properly, the county will lose forever the opportunity that we believe it now has."

The Chamber of Commerce notes that continued lack of zoning could not only discourage new industry but also might result in the future loss of existing industries in need of room to expand but hemmed in by uncontrolled residential development. By the same token, residential property values are endangered by the absence of the protection afforded by zoning.

The county board's action recognizes the problem and sets the wheels in motion for studies and hearings that will enable fair and effective zoning controls to be established.

New Telephone System There Will Make It Easier To Call Edwardsville

Edwardsville's new dial telephone system, scheduled to go into operation next year, will make it easier and faster for Quad-Citizens to call the county courthouse and other locations in that city, since the present trunk line system to the old-style Edwardsville exchange will be revamped. The new exchange also will bring to this region some of the innovations that will be in effect here later, including direct distance dialing.

Many areas already can dial this community directly, and it is no secret that the service will be extended to local telephone customers in the not too distant future. Distance calling is being introduced in Edwardsville with the installation of the dial equipment.

Along with dialing numbers in their own city and other communities in this area, Edwardsville residents will be able to dial more than 50,000,000 phones in the United States, eliminating the need to contact an operator when placing a station-to-station long distance call.

Another interesting change there will be the seven-number system. The Bell system is using it where major number changes are necessary, such as at the manual system in Edwardsville, and where the company is exhausting the supply of latter prefixes due to population gains and attendant increases in the number of telephones. Direct distance dialing and new types of telephones and equipment also are prompting the gradual switch to seven-digit numbers.

While possibly slightly harder to remember, the plan is believed to make dialing easier and more accurate, eliminate confusion between certain letters and numbers on the dial and avoid dialing errors due to mispronunciation or misspelling of exchange names. It is being used successfully in many areas, and is being introduced this year in Decatur, Peoria, Rock Island, Moline and several other Illinois cities.

Already enjoying an ultra-modern dial system here, Quad-Citizens will welcome the improvements of Edwardsville. Many calls must be made to the county center, and the new equipment will make this more convenient.

Course For Firemen Will Begin Tonight

Topics to be covered in a fireman's course opening here tonight include instruction in fire pumps and pressure, various types of nozzles, ladders, prevention and fighting of butane gas fires and general demonstrations and lectures.

The course will last from 7 o'clock to about 9 o'clock on each of five successive Monday nights, beginning tonight. Sponsored by the Madison fire department and the University of Illinois Division of University Extension, the sessions will be held at the Madison fire station and the instructor will be Paul Partridge.

The paintings will remain on display for the next five weeks. Library hours are from noon to 8 p.m. Monday through Thursday, and from 10 a.m. to 6 p.m. on Friday and Saturday.

Mud Guard Injunction Hearing Continued

A motion to strike a temporary injunction against the enforcement of the Illinois mud guard law, filed by Assistant Attorney General Randall Robertson on behalf of the state of Illinois, was taken under advisement by City Court Judge Fred P. Schuman here Tuesday afternoon.

Judge Schuman granted the injunction against enforcement upon the request of 17 area building, contracting and trucking firms on Jan. 30. Since the injunction has been in effect, state police have suspended enforcement of the law, which requires certain trucks be equipped with guards to prevent splashing of mud and water while traveling on state highways.

The state contends trucks not equipped with contour guards are a hazard on state highways, while the trucking firms say certain types of trucks cannot be equipped with the contour guard, and also cite several exceptions to the law.

The complainants against the law, first enacted in 1955 and the subject of much controversy and several revisions since, are all firms which operate locally, but regularly make use of state highways.

The hearing will be continued in city court here, but has not as yet been placed on the court docket.

Mrs. Helen Pier New Venice Census Leader

Mrs. Helen Pier, wife of Venice School Supt. John Pier, is a new census crew leader replacing Mrs. Ruth Ohlendorf, who resigned last week because of the illness of her husband.

Mrs. Pier passed her examination and will attend a special instruction period today through Wednesday in Belleville along with ten other crew leaders from Madison county. Each crew leader will be in charge of 16-20 enumerators, who will make the rounds starting April 1. Visiting every home for the population count.

The post office will mail questionnaires to each household either Tuesday or Wednesday for residents to fill out. The census should be completed within a month but results depend on how fast the actual counting can be completed, according to Ronald Jung, census director for Madison and St. Clair counties.

TROOP 46 ELECTS OFFICERS

Troop 46 of St. Mary's Girl Scouts held the final organization meeting Friday afternoon in the cafeteria of St. Mary's school at which time 18 new members were enrolled and an election of officers held. During the business meeting, the leader Mrs. Lucille Mossa told the members of the Brownie and Girl Scout investiture which was held Sunday afternoon. She spoke of the trip that the girls of Patrol A Troop 46 and members of St. Elizabeth's Troop and St. Mark's troop will make to St. Louis to the Art Museum on April 5. They will visit the religious art and sculpture departments which pertain to the Marian award on which the troops are working.

The troop discussed the open house of the all-weather lodge at Camp Lakota in Glen Carbon on March 27. Busses will be chartered by the council.

The troops have been divided into patrols with the leaders being: Susan Schweitzer, Carol Pogorelec, Rose Mary Hughes and Yvonne Romanic. These girls along with the assistant patrol leaders, Janet Kulzsa, Mary Mossa, Judy Pogorelec and Susan

Mance were given books relating to work of the patrol leaders and assistants. The secretaries for the patrols will be Patricia Sanders, Mary Ellen Johnson, Kathleen Huckla and Marie Kosticki. Treasurers named were Jean Garkianoff, Margaret Karpowicz, Janice Piechowski.

The meeting adjourned with the singing of "Taps." The court of honor, made up of the leaders, Mrs. Lucille Mossa, all of the patrol leaders and assistant patrol leaders, met after the troop meeting. The minutes of each patrol A-B-C and D were read along with a financial report. St. Mary's Troop 46 now has 39 active members and is rated the largest troop of the Tri-City Girl Scouts, and a full troop according to the National standards.

Those assisting Mrs. Mossa are Mrs. Vera Sikors, Mrs. Mary Pogorelec, Mrs. Ann Ropac, Father Sylvester Micek is the acting troop chaplain.

Mrs. and Mrs. Edward Little and daughter, Nancy Sue, of Longview, Texas, and Mr. and Mrs. Denver Little of Page, Ariz. have returned to their homes during the past week. They were called here due to the illness of their father, Jess Little, who has been a patient at St. Elizabeth hospital for the past three weeks.

Coolidge Ensemble Goes 'South Of The Border'

Audiences here are being entertained this year with a "South of the Border" flavor, thanks to the interest of 11 Coolidge junior high school students and their instructor in music with a Latin beat.

Members of the group, which calls itself the Coolidge junior high Latin-American Rhythm Ensemble, are all eighth and ninth grade students at the school, and play nothing but catchy and danceable compositions which had their origin in the Latin-American.

And its been enjoyable entertainment, too, what with all the attention currently focused on Latin America by the president's recent visit there and the growing popularity of native music in the northern hemisphere.

Instruments used, part of a private collection acquired in Mexico by Todoroff, include timbales, bongos drums, congo drums, maracas, claves, the guiro (scratcher), the cabasa and the conga (shakers) and cow bells.

More conventional, or at least more familiar instruments also are the piano, trumpet, saxophone, marimba, clarinet, piccolo and string bass.

The ensemble has made numerous appearances this year, and is slated for many in the future. The group will appear tonight at the Tri-City Community Concert Association banquet, and will perform at a March 28 meeting of the junior high school PTA.

Brother Of GC Woman, J. C. Hacker, 75, Dies

Funeral services were held at 2 p.m. Saturday for J. Nicholas Hacker, 75, of Lenzburg, who died suddenly at his home Friday morning. Mr. Hacker is the brother of Mrs. Johanna Geraldine of Granite City and father of the former major league baseball pitcher Warren Hacker of Lenzburg.

He is also survived by three sons, four daughters, four sisters, four brothers, 17 grandchildren and four great-grandchildren.

Mr. Hacker was a retired coal miner and farmer and member of the Progressive Mine Workers of America. Services were held in St. Peter's United Church of Christ in Lenzburg with interment in the city cemetery.

Supreme Court Dismisses Church Title Suit

(Special from Springfield)

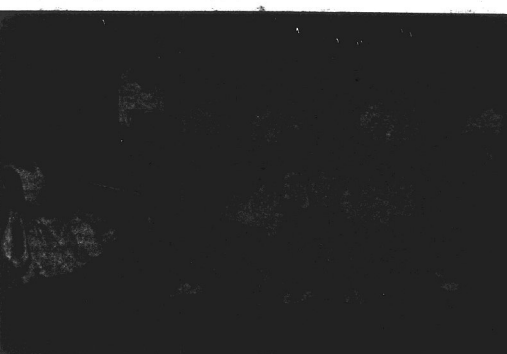

The State Supreme Court dismissed Friday a petition by Arthur E. Anthony from a Madison county circuit court decision in favor of Roy E. Reeves over title to a church building belonging to the North Granite Pentecostal Church.

Anthony claimed title to the building, but Reeves sued in the trial court to set aside a judgment in favor of Anthony, who said the title was conveyed to him by trustees of the church. Reeves, however, claimed the trustees did not have the right to make the title conveyance.

DeMolay Chapter Observes Founders Day Sunday

The annual Founders Day observance by the Granite City Chapter, Order of DeMolay, was held yesterday when 60 members, led by Senior Counsellor George Lipe, and accompanied by 30 parents, attended services at Central Christian Church.

The sermon was given by Rev. James R. Craddock, pastor and a senior DeMolay. The order was organized on March 18, 1919, and each year the date is observed by more than a half million members in 7500 chapters.

CHA-CHA-CHA, AND MAMBO, TOO. This group of Coolidge junior high school musicians sticks strictly to Latin American rhythms in its public performances. The ensemble will play tonight at the Tri-City Community Concert Association banquet. From left to right (seated) are Donna Stoydohar, Phyllis Stout, Kenneth Willis, Karen Donnenberg, Carol Grizzard and Judy Stegelmeier; and (standing) Gerald Heffery, Jay Strothels, Bill Frey, Bill Niepert and Donna Reiman.

Newly-Organized Coin Club Seeks New Members

The newly-organized Land of Lincoln Coin Club of this area is currently conducting a membership drive, according to Donald Murphy, secretary-treasurer.

The club meets the second Sunday of every month in the Knights of Pythias Hall and members discuss, trade, sell and buy coins of all nations and ages. There are presently 25 members.

Murphy pointed out that membership is open to both adults and students, although those under 18 must have a written permit from their parents. Interested persons may contact Murphy at Granite City Post Office Box 163. Initial dues are \$2 for adults and \$1 for students. Current president is Lawrence Ostreath, and Joseph Cralley is vice-president.

Four Arrests Saturday Morning in Madison

Madison police arrested four men Saturday morning, two for traffic violations and two for disorderly conduct, and set hearing dates for March 25.

John L. Thomas, 19, of St. Louis county and Edward Mann, 19, of St. Louis posted cash bonds after their arrest on charges of disorderly conduct at 10th street and Washington avenue.

Charles W. Fawcett, 23, of 1432 Fourth street, Madison, was charged with passing a stop sign at 10th street and Madison avenue and Ralph Bailey, 24, of 2246 Lynch avenue was charged with blocking a driveway at 20th and Iowa streets with his car. Fawcett and Bailey posted their driver's licenses.

Venice Man Posts \$150 Bond On Three Charges

William R. Young, 30, of 1112 Market street, Venice, was arrested early Saturday morning by Granite City police who charged him with fighting, drunkenness and creating a disturbance.

Similar charges were placed against Charles J. Bulva, 34, of 2172 Lee avenue, who was found lying in an alleyway near 20th and State streets shortly after midnight Friday. He was taken by ambulance to St. Elizabeth Hospital, where he was detained for further treatment.

Young was taken into custody at 12:45 a.m. He pleaded not guilty to all charges and was released yesterday afternoon on \$150 property bond to appear for a hearing March 25.

County Supt. Hires School Psychologist

A psychologist has been employed to serve Madison county public schools and will begin his duties April 4. It was announced at Edwardsville last week by County Supt. of Schools Wilbur R. L. Trimpe.

He is Ray Rhine, presently serving Chicago public schools in a similar capacity. His salary will be \$8500 a year with the state continuing to pay \$3000 of that amount. Supt. Trimpe said. The remainder will be paid by those of the 15 county school districts which utilize Rhine's services under a joint agreement now being worked out.

Districts will pay according to enrollment and use of Rhine's services.

Woman Changes Plea

Ruth Hinz, 23, of 1831A State street, who last week pleaded not guilty to a charge of disorderly conduct filed by Chief of Detectives James R. Lowder, changed her pleading Thursday afternoon before Justice of the Peace Mrs. Elvira Thurber, and on a guilty plea was fined \$50 and costs. Chief Lowder said the woman, a former St. Louisan, was ordered out of town.

FABLE FOR MODERN WIVES (WITH A REAL MORAL!)

OLD KING COLE IS A MERRY OLD SOUL...

since Mrs. Cole has been **COOKING ELECTRICALLY**

King Cole, you see, likes his roast beef exactly so, not too rare and not too well done. But poor Mrs. Cole never got it just right. The king was never really merry at dinner—until, one fine day, some nice men delivered a modern electric range.

At dinner that night, Cole was delighted and praised Mrs. Cole's cooking five different ways. With a self-regulating meat thermometer, automatic oven control and automatic top burner, everything on the menu turned out de-licious.

Cole has been happy ever since—with Mrs. Cole doubly so, because electric cooking is easier and also makes for a cleaner, cooler kitchen. See your electric appliance dealer soon.

7¢ to 10¢ a day—that's about what it takes to cook electrically for a family of four. See your electric range dealer. Check all the advantages you get at this moderate cost.

POTLUCK DINNER

The Adult Social group of the Venice Methodist church met Saturday evening in the church basement for a pot luck dinner. Hosts for the evening were Mr. and Mrs. Roger Davis and Mr. and Mrs. Clifford Canner.

Following the dinner, a business meeting was held with the president, Mr. Davis, in charge. A social time was then enjoyed, and games were played, with prizes awarded to Rev. and Mrs. Craig R. Dillman, Lloyd Patterson and Clarence Moreland.

Others attending were Mr. and Mrs. Norman Jenkins of Worden, Mr. and Mrs. William Jenkins of Granite City, Mr. and Mrs. Ernest Foster, Willis Blades, Mr. and Mrs. Henry Bill, Mrs. Lloyd Patterson and Miles Jenkins, all of Worden.

Hosts for the April meeting will be Mr. and Mrs. Patterson and Mr. and Mrs. Billrey.

GROUP HEARS CANDIDATES

The Venice Ladies' Democratic Organization held its social meeting Thursday evening at the Old Fellows hall with Mrs. Edna Miller as chairman and Mrs. Bess Snell as lunch chairman.

Madison county candidates introduced by the speakers were John Kraynak for county auditor, and San Dronow, representative of the committeemen for the 53rd district. For the levee board were Thomas Hensley and Charles Sezewicz and Thomas McGee. Each gave a brief talk. Approximately 75 persons were present.

MRS. MCGEE HOSTESS

Mrs. Mabel Moore was hostess Wednesday afternoon to a meeting of the Christmas club, at her home, 814 Third street.

The birthday of Mrs. Edna Miller was observed, and she was presented with a gift from the members.

Prizes for games were won by Mrs. Jessie Oakes, Hazel Painter, Mrs. Miller and the hostess, all of Venice, and to Mrs. Ora Anderson of Granite City. A dessert luncheon was served, and others present were Mrs. Pearl Hoover and Mrs. Naomi Boelling.

Hostess for the next meeting will be Mrs. Oehler, 219 Hampton street.

STUDENT SAFETY WEEK

In observance of Safety Week, the Student Council at the Venice high school arranged through Mayor John E. Lee to have guest speakers at the school on Wednesday.

Fire Chief Michael Leatherman was introduced to the group by Miss Judith Edwards, chairman of the safety committee.

Leatherman spoke on "What Does Safety Mean?"

Chief Lawrence Burns from the Granite City Fire Engine Depot gave a talk on "How a Car Can You Get?" and the third speaker, Police Sgt. John Ewing, gave a talk on safe driving.

PARTY HONORS TWINS

Rev. and Mrs. Craig R. Dillman entertained Saturday afternoon with a party at their home, 419 Lincoln avenue, honoring their twins Boyce and Joyce on their ninth birthdays. Both received many nice gifts.

Games were played and prizes won by Karen Devany, Larry James and Ricky Reidelberger. Refreshments were served.

Others present were Barbara Blattner, Linda Russell, Brenda Long, Linda Presswood, Patricia Sittin, Judy Johnson, Dennis Pulley, Ronald Townsend, Philip Daniels, Kenny Patterson and Sheryl and Karen Williams.

JR. RED CROSS PARTY

Members of the Junior Red Cross and their guests enjoyed a St. Patrick's Day party Friday evening at the Venice high school student lounge. Charities were Miss Morene Gresham, history teacher and Junior Red Cross sponsor, and Mrs. Sablin, high school principal.

Recorded music was played for dancing and refreshments were served to about 40 persons.

Mrs. Margaret Lee and Mrs. Margaret Reidelberger, co-leaders, were in charge of Den One of Cub Pack One Wednesday afternoon at the Levee Club, 1230 Klein street. The theme for the month is "My Home State," and work was continued on maps and stories of events taking place in the state. The meeting closed with the singing of songs. Attending were Ricky Reidelberger, Timmie Tolliver, Jimmie Miller, Leonard Scullion, Kenneth McColl, Jack Lee and Den Chief Jack Tolliver.

Two Performances Of Operetta This Week

Tickets for the Granite City high school vocal music department's production of "The Red Mill" are still available from participating students and at Graham's Book Store, Production Director Warren Simpkins said today.

Simpkins performances of the work, with special staging by GCHS art department director Eugene Alass and his students, will be presented on both Friday and Saturday evenings this week at 8 o'clock.

Simpkins said the operetta will be the most extensive project over undertaken by the vocal music department, which presents a musical production of some type each spring at the school.

Eleven soloists will have featured roles in "The Red Mill," and will be assisted by a chorus of 60 voices and the high school concert band, which will present the operetta's overture under the direction of Louis Meek.

The operetta itself, composed by Herbert in 1906 and performed in a modernized form in New York in 1945, is the story of two American tourists in Europe whose funds become exhausted while traveling in Holland.

To work off the bill they have run up at a Dutch inn, they are employed as waiters at the inn, which attracts all sorts of interesting characters. The title for the operetta comes from the fact that a windmill stands nearby the inn, and plays a prominent part as the story unfolds.

135 New Members Join SICL in E. St. Louis

Since the filing of suits to halt the collection of Missouri state income tax by the St. Louis city earnings tax from residents of Illinois who are employed in Missouri, the arrival and assessment of fines against them have ceased. Southern Illinois Citizens League attorney Stuart M. Earmey told more than 1300 members of the league yesterday in East St. Louis.

The league conducted another in a series of membership meetings at the East St. Louis Civic Center high school gym, with 135 new members signed up at the conclusion of the session. Members in the group, organized to fight by legal means the St. Louis income tax, now totals over 2000 persons, according to membership chairman John McKinnis.

Speakers during the afternoon included Granite City Mayor Leonard Davis, who urged SICL members to write their congressmen and representatives and seek the passage of legislation to prevent the taxation of non-residents.

Mayor reiterated an earlier statement by advising those attending not to file the tax returns and not to pay the tax, pending outcome of the two suits filed by the SICL.

Other speakers were Arthur Nease, assistant attorney general of Illinois, Mayor Alvin G. Davis, and Representative Melvin Price of East St. Louis.

Onesky's Parents Of Daughter

Mr. and Mrs. Frank J. Onesky Jr., 2973 Iowa street, are announcing the birth of a daughter, their first child, Saturday at St. Elizabeth Hospital. A name has not as yet been selected for the new arrival who weighed six pounds, nine ounces.

Mrs. Onesky is the former Barbara Jean Rotter, a daughter of Mr. and Mrs. Gene Rotter, 1614 Minnesota avenue. The father is son of Mr. and Mrs. Onesky Jr., 1724 Sixth street, Madison.

PUBLIC NOTICE

NOTICE OF PROPOSED CHANGE IN RATE

To Patrons of Illinois Power Company:

Illinois Power Company hereby gives notice to the public that it has filed with the Illinois Commerce Commission a revision of its Gas Rate Schedule, which at some future time may result in an increase or decrease in the rates for its natural gas service in its respective service area.

The proposed revision amendments to the "Adjusted Gas" Rider to include in the adjustment unit cost of purchased natural gas purchased from existing or new pipeline suppliers. The only change in the revised rider with respect to the pipeline refunds is that the Company shall have the right to seek approval of the Illinois Commerce Commission, before making such refunds to (i) large industrial or commercial customers having an increased usage during the period to which the refund is applicable; (ii) large industrial or commercial customers who were not taking gas service from Utility during the period to which the refund is applicable; or (iii) interruptible, seasonal and other off-peak customers.

A copy of the proposed schedule may be inspected by any interested party at offices of the Company.

All parties interested in this proceeding may obtain information with respect thereto either direct from this company or by addressing the Secretary of the Illinois Commerce Commission at Springfield, Illinois.

Most Total Tax Rates Up Half-Dollar In 5-Year Period

While there was a sizable gain in some of the tax rates announced last week, the general trend has been a half-dollar increase over five years in the combined rates on which local tax bills are figured.

Net effect of tax rate changes in the past five-year period has been a 50-cent rise for Granite City property owners, a 56-cent increase for Namekoki township residents, a 46-cent rise for Venice property owners and a 57-cent increase for Madison taxpayers.

The actual gain in tax bills generally has been greater than indicated by the tax rate boosts. This is because assessed valuation has risen in some areas during the same period. The rates are applied against individual assessments in preparing tax bills.

Average changes were a gain in the newly-announced rates, a drop in rates a year ago and gains in the three previous years.

Collections This Year

The just-announced 1959 rates for 1960 collection, including the previous East Side Levee and Sanitary district rate of 38.11 cents, are \$3.62 in Granite City, up 52 cents over a year ago; \$3.62 in Madison, up 26 cents; and \$2.91 in Venice, down 51 cents; and \$2.58 in Namekoki township, incorporated areas, up 40 cents.

A breakdown of the new rates by taxing agencies, including a comparison with the previous rates, follows:

County government, 23.1 cents; city of Granite City, 73.8 cents; up 3.7; city of Madison, 92.5 cents; up 1.8; city of Venice, 64.5 cents; down 5.8; Granite City school district, \$2.04, up 43.7 cents; Madison school district, \$1.85, up 2.4; Venice school district, \$1.48, up 1.3; Granite City park district, 1.06; up 1.5; Venice park district, 1.25; down 0.7; Granite City township, 13, up 1; Venice township, 10, down 1.3; Venice town, 5.6; down 0.6; Namekoki township, 13.6, down 5.6; and Namekoki town north bridge, 13.2, same; Long Lake fire district, 8.4, up 0.8; and Miracle Manor-Belleme Place street lighting district, 10, up 3.2 cents.

You can pay a little less for your Ice Cream but it won't be as good

The price of everything we buy is determined by its quality. This is just as true of ice cream as of anything else. You'll find DEL-FLA ICE CREAM costs a few cents more — because it costs more to make. The secret of its delicious flavor lies in the freshness of the pure graded pasteurized rich cream and dairy products used the same day they are received.

We are not faced with the problem to use odds and ends, returned or distressed materials to use up. Remember, you can pay less money for your ice cream, but it won't be as good. Mfg. by the Granite City Ice Cream Co., Mitchell, Illinois.

SCOUTING DESCRIBED TO WOMEN'S LEAGUE

The Women's League met at Hope Lutheran Church Monday night and Ed Weber described different phases of scouting, beginning with the Cub scouts and going on to adult scouting.

The meeting was called to order by Mrs. Ruby Schiller, who introduced the speaker, Ed Weber.

The opening devotion was given by Mrs. Shirley Schaefer. Mrs. Schaefer announced that general meetings of the church will be held April 1, and asked that as many as possible help. A rummage sale to be held at the Odd Fellows hall March 25 was reported.

Ether Wahrenburg reported on a letter the league has received from a missionary family in Saei, Laos. The letter was adopted for a year. The letter was from Pastor Dinger.

The closing devotion was given by Mrs. Joan Oram, and a late dessert course was served by the evening's hostesses, Mrs. Betty Calkins and Mrs. Elsie Heiska.

Other league members present were Mrs. Velma Neumann, Mrs. Laura Fossou, Mrs. Anna May Turner and Mrs. Ruth Anna.

The next meeting will be held April 21 at the church.

Plush New GC Fire Station Nearing Completion

When the Granite City downtown fire department makes the move to its new location at Madison avenue and 23rd street, the 30-odd firemen will occupy one of the finest most up-to-date establishments of its kind in the country.

The subject of much controversy and debate on the floor of the city council, the two-story structure of unusual design is nearing completion, and the fire department will probably occupy the building as soon as the interior has been finished.

Laborer and steel strikes last summer delayed the project, and the adverse weather conditions during the past month have virtually halted all exterior work. Interior painting and interior tile work remain to be completed before the firemen can take up their new quarters.

Most unusual feature of the fire station, built with fire sales tax funds to replace the old station at 1407 Nineteenth street, is the "floating floor" of the second story.

Designed by architects Gabriel and Dulgeroff, the system incorporates outside pillars, topped by exterior beams visible on the roof, from which are suspended the columns which support, or rather hold up, the second floor.

Reason for the innovation was to eliminate all columns inside the fire station, thus doing away with any maneuvering fire trucks and equipment on the street.

The building's exterior dimensions are 67x109 feet, with the major portion of the ground floor taken up by the apparatus room. This area of the station was designed to handle equipment as long and bulky as a hook and ladder truck.

Two Exits
Exits onto both 23rd street and Madison avenue are provided, together with electric traffic signals on both streets which are activated in case of fire from the control center, or "joker station," also located on the ground floor.

The fire chief's car and first aid truck will leave the station on the Madison avenue side, all fire-fighting equipment through the double doors on the 23rd street side.

In the "joker station," so named because some "joker" in days gone by pushed the fire alarm button in some fire house and falsely alerted the firemen on duty, is installed a panic button.

When a fire call comes in, the station attendant pushes the button, setting off the traditional fire house alarm, turning on every light in the building and setting the automatic door cycle in progress.

Automatic Doors
The doors open automatically, then close again automatically after fire equipment has left the station. Time of the cycle can be varied, as firemen become more accustomed to their new surroundings, it is expected that the station can be cleared more quickly.

Each door is also equipped with electrical systems which halt the automatic process — just in case a fireman is late to his station. Another button at the "joker station" activates the cycle again.

Once the doors close and lock, all the lights in the station go off, enabling the fire house to be left unattended. The panic button, together with those already installed at the 23rd street and Madison avenue intersection, are also activated and deactivated automatically from the "joker station."

Also located on the first floor are the fire chief's quarters, kitchen, and combination dining room-recreation area.

Upstairs are quarters for each of the three shifts of firemen who will man the new station. The dormitory room will be equipped with 30 beds, 10 for each shift, and the building contains three equipment closets, again one for each shift.

Also on the second level is the officers' room, furnished also with three beds, one for the officer in charge of each shift. A glass enclosed "quiet room," where firemen may read and relax without disturbing sleeping members of the same shift, is situated just off the dormitory room.

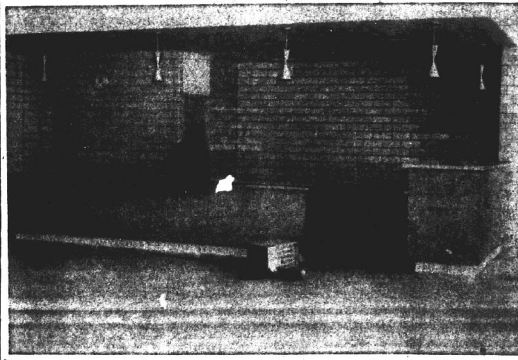

The traditional brass slide poles, a must in every fire house, are spotted in three locations around the dormitory room. Each is enclosed by a pair of swinging doors, one by double doors which allow the quick trip to the ground floor to be made from either side and might create a bit of confusion if two firemen decide to use the slide pole from opposite entrances at the same time.

A centrally located hose tower runs from the ground floor to the top of the building. Its function is to serve as a drying and storage area for fire hoses.

At the foot of the tower are located grates which form a hose washing pit, where mud and ice can be cleaned off hoses in cold or wet weather. In good weather the hoses will be cleaned outside on the concrete driveway aprons.

Be the weather warm or cold, the hose tower will enable firemen to dry hose the year round and prevent rotting.

Oak saddles, over which the hose is hung, are located at the top of the 35-foot tower. The hoses will be raised to the saddles by means of a hand-operat-

ON-DUTY FIREMEN will be served meals prepared in kitchen area where workmen is shown here. Area in the foreground will serve as a combination dining and recreation area.

ed hoist which runs along a track at the top of the tower.

The fire station gives the overall impression of a small castle. Overhanging concrete walkways on the second floor exterior are enclosed by a number of elaborate solar screens, giving a person standing there the feeling he is atop the battlements.

An interior stairwell runs to the top of the hose tower, where the interior walls, like those throughout the building, are covered with tile. Access to the building's roof can be gained from the tower.

The life of a Granite City fireman, when he is not answering a fire call or cleaning up equipment following a fire, is going to be an enviable one.

Three-Five Mishap Today
Foreed away by a westbound auto that entered his lane, Dale Coffman, 22, of 4837 Warnock avenue swerved his eastbound car into a parked auto in front of 1513 Second street, Madison at 6:01 a.m. today. The parked vehicle was knocked against a second parked auto. One of them was owned by Roy E. Goodrich, 1522 Second, police learned.

Collision Early Today
No injuries resulted from a collision of two autos in the 2000 block of Edwardsville road, Madison, at 6:38 a.m. today. Names of the motorists were not immediately obtained.

Car Strikes Rail
An eastbound car driven by Jose F. Narvaez, 33, of 1019 Third street, Venice, struck the south railing on the Broadway viaduct at 5:40 a.m. Saturday. Venice police said. The car was damaged on the right front end.

Boy Falls in Bath tub
Ronald Brawley, four-year-old son of Venice Patrolman Ralph Brawley, 1212 Logan street, cut his chin Friday night when he slipped and fell in a bathtub at home. Four sutures were applied to the wound at St. Elizabeth Hospital.

NAMEOKI PTA EXPRESSES PRIDE IN GCHS TEAM

To the Forum:

Let's not let our heroes "die" or "fade away" on the page.

We, parents of the Nameoki School P.T.A., wish to express our pride in having such a fine High School Basketball Team represent our City and carry on to Regional and Sectional victories. Our regular March meeting was postponed one week by a unanimous vote so we could continue to follow our Warriors on their tremendous victory trail. Four of these boys, two on the starting lineup, are "graduates" of our Nameoki School and so much of their basketball ability was developed in the early stages right here on our own gym floor.

To our way of thinking, we have witnessed the outstanding action, but unfortunate climax, of a group of the finest gifted and talented young athletes, who always displayed the best sportsmanship no matter what the outcome might be.

Our sincere congratulations to them and their fine coach, Andy Sullivan, for a job so very well done.

Yours very truly,
NAMEOKI P.T.A.
